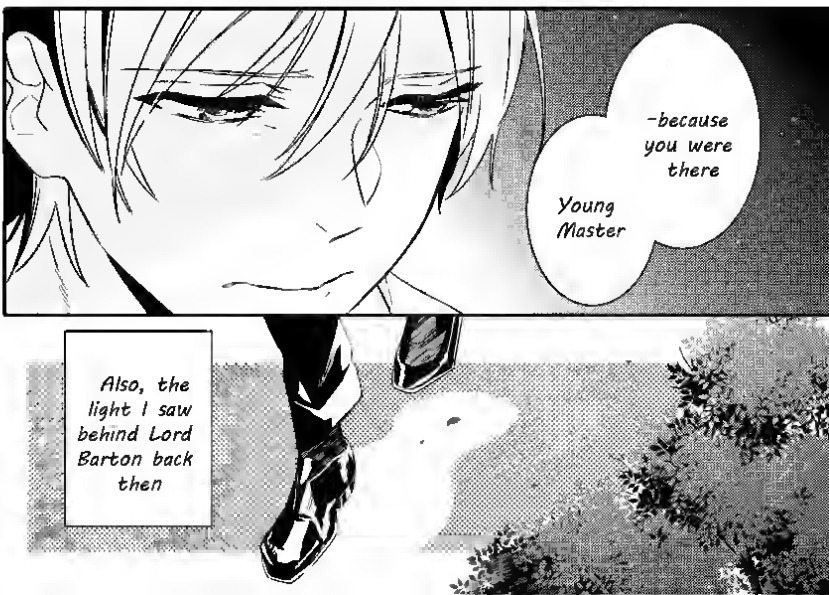
That can't be true
Then it would seem like my uncle was the one who
I don't know
I only saw for an instant

Even if he did something like that because he was after the Earl's family assets,
It makes no sense for him to pay back the debts now
Firstly, there's no reason
If my uncle was really after the Earldom, I wouldn't be here unscathed
. I can't believe this
What if... He was unable to do anything to you?
!

He excavated it and tried to become the owner
But that did not happen
Actually, the one who brought that ring to the Twining family was also Lord Barton



-because you were there
Young Master
Also, the light I saw behind Lord Barton back then

It belonged to Heaven
If he is someone connected with Heaven, then he'd know that the Young Master can't be exalted
It didn't seem like he had been exalted by an angel
Lord Barton...
Just who is he-

ストーリー

魔界と天界の現在の状況をメイザースから聞いていたウィリアムのもとに突然、天界に帰っていたケヴィンが傷ついたミカエルと共に現れた。天界でクーデターが起きてミカエルが失脚し、メタトロンはソロモンを二代目カプリエルとして天界を統治させようとしているのだと言う。さらに、ウィリアムが施術について疑問を持った事をきっかけに、ケヴィンはとある事を探し出す。以前、ウィリアムを治療できなかった原因を探るために彼の心に入ったケヴィンは、そこでウィリアムの両親の死の現場を見た。そこには殺戮、バートンの姿がいて――!?

My house -!!
M...

It seems like the pursuers have come
What?

Sit...ri?

Those wings . He's really become an angel..
It would've been better if he'd remained dancing in Hell
He's fallen and become an underling of a clay puppet
In the high name of the Lord who commands all allied troops from above
Here, the apostate Michael shall be pulverised
Let the glory of the Lord fill Heaven and Earth!

Sitri!!
Stop-!

Isaac
!!!

Thank goodness
But why did my order not have any effect?
It likely means that he is no longer the past demon Sitri

Sitri...
Isaac! Michael !!
Haa...
Haa....
Are you alright? Michael!

Restrain yourself Michael!
It's your... It's your fault that Gabriel has!!
Gabriel's ...
Durendal ...
Shi...
In your current state, you have no power to oppose
Do you not recognise me?!
Listen! Sitri!

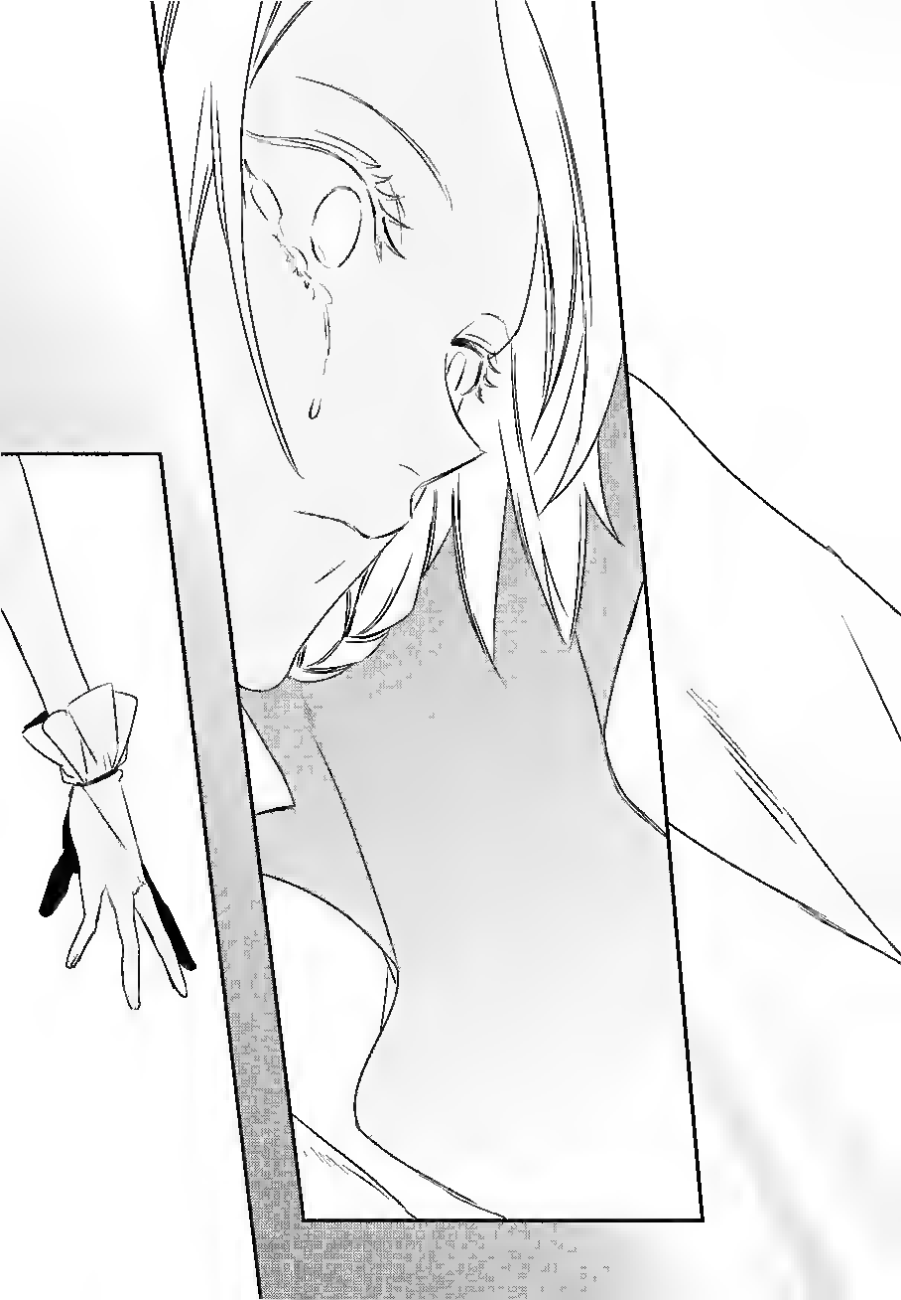
The Four Horsemen appear on Earth, toying around with William
At the same time, by summoning Mana, Camio can be controlled
And clash with Dantalion
Mathers!
Now you understand, right?
That's Ecstacy
Then Hell melts into chaos
There's no problem with Michael asleep in Heaven
By using the newly born Gabriel as a marionette, Metatron would have held the reins of power
An ingenious plan

Sitri!
However
Is the Emperor truly the mastermind on Hell's side?
The truth is...
William?
If you wanted to become an angel then that's fine
If you didn't want to be by Baalberith's side...
Even then I wouldn't mind
...However, is that truly what you wish for!?

Did you choose this yourself?
!!
I...
I don't care if you're an angel or a demon
There are all sorts around me anyway
Rather than fighting with you, I want to talk with you in the lounge
Like always
So come back
Don't become someone's underling

Rather than swinging around something dangerous like that,
Being by my side is better, right?



Camio!?
I see
It seems like Dantalion was right
To think that Sitri's become the second generation Gabriel
Then the path to choose has been decided
A notice to Heaven's troops!
The Salvation Army at Etna has been annihilated

We will not be playing on the table you prepared
Return and convey this to Metatron!
……!
Sitri!!
Damn…
Camio
Why are you here?

What about Dantalion!?
There's no need for you to worry, we've settled our discord
Settled!?
I see
We're in a scenario that no one could have predicted, where Chief Seraph Michael has escaped
The circumstances are getting better and better
What do you mean
What exactly in Hell is
No, what exactly is happening in this world!
Anyway, we must move from here
I'm not running nor hiding
If I can't stay here, I'll go to Hell

with Lucifer
I'll go and settle things
What are you saying !?
However
the vanguard is probably already heading towards Sheol...
Wait, Dantalion!

Have you been granted permission for an audience?
Gilgamesh
The acting ends here
Camio and I have agreed to an armistice
What are
We will not fight
It means that we are not becoming a part of the picture that you and Samael have painted
.....

I can even kill you
Why do you serve Samael to the extent of even becoming my kin?
You're bound by the contract
..Why ask when you know the answer

In order to decide with indifference, a disturbance has to be caused to make the appearance work
I'll leave you alive for now
Dantalion
It's probably different from the scenario you're thinking of
Then stay there and watch

If you can truly remain indifferent
I once betrayed my homeland and destroyed my people

I HAVE DRAGGED ON LIVING, CARRYING THE INFAMY OF A BETRAYER, ALL PERHAPS FOR THIS MOMENT RIGHT NOW

TO BURY LUCIFER WITH MY OWN HANDS!

You are-
Why, it's nice to meet you, Dantalion
My nephew has constantly been under your care
THE ONE WHO'S WAITING THERE IS BARTON!?
